About Harivandana College

With blessings of H. D. H. Shree Hariprasad Swamiji, Harivandana Education trust started its journey from academic year 2005-06. Harivandana runs course from K.G. to P.G. Swamiji's Life slogan

"YUVAKO MARU SARVASVA CHE"

'Youth is my life', Signifies the special place he has for youth in his heart. He always emphasizes the extra ordinary potential present in the youth:

"YUVAN DHARE TEVO THAI SHAKE"

'A youth has the potential to become what he chooses to become'. This has been "GURU MANTRA" for us. Thus, the campus has blessings, inspiration and wide experience.

1

Chemistry : Drug & Food Analysis

- Purity of Drug
- Food Adulteration
- Max. 60 Students (First come First)

2

Botany : Kitchen Garden & Hydroponics

- Practical Approach for Techniques
- Dissection box must
- Max. 30 Students (First come First)

3

Physics : Electronics

- Circuit Joining & Design
- Max. 30 Students (First come First)

4

Industrial Chemistry : Instrumentation

- Petroleum and Oil Analysis
- Size Reduction Unit Operation Equipments
- Max. 30 Students

5

Maths : GeoGebra

- Hands on Training on Computer
- Max. 30 Students (First come First)

- Student can participate in any one of the above mentioned workshop
- Free accommodation for outsiders who are attending Workshop and Conference only if pre-informed.
- Boys & Girls separate. First come First bases.

- It should be a working model
- It should be Novel, Innovative and Sustainable
- An explanatory poster should be accomplished with working model.
- Maximum 3 participants + 1 Faculty

Competition Time: 10:30 AM onwards

Subject Detail: Chemical Science (U.G. & P.G.), Physical Science (U.G.), Life Science (U.G.), Mathematical Science (U.G.)

Budding Scientist Award

Theme: Sustainable Development

Novel Idea for sustainable development is to be Submitted. A case study regarding social issues will be provided to the student, Student have to solve this issue with scientific approach and submit it. Participant should be a U.G. or P.G. student. Student will be given 30 min. to submit his idea in written. Extempore problem statement will be given on the spot. It is an individual event. The idea should be empirical & advantageous to society.
